with Dr. Michael Tick

Dr. Michael Tick, (ND, PhD, FACMT, CTN)

Dr. Tick is a Board Certified Naturopathic Physician, Certified Traditional Naturopath, Bio-Chemist, Skin Researcher, Scientific Lecturer, and Alternative Medicine Practitioner. For over 35 years, Dr. Tick has researched the largest organ in the human body, the Skin. Dr. Tick is known as a world pioneer in the field of Transdermal Infusion-applying topical formulas on the Skin to solve all health problems of the human body.

THE WEED IS IN YOUR SKIN...it could be parasites, fungus, sun damage, acne, aging, dark spots, eczema, rosacea, wrinkles, rashes, dermatitis, keratosis, sagging, or any number of other **Skin** disorders. Dr. Tick is a natural genius in creating an all-natural approach to achieve beautiful **Skin** and good health through topical application. He will share his wealth of knowledge from over 35 years of research of the **Skin** that has led to his creation of the skin analysis technology. Dr. Tick's **Transdermal Infusion Technology**, goes after the root/cause of your problem through the **Skin**. Just a few of the diseases and **Skin** conditions previously solved include: Acne, Aging, Sun Damage, Non-Surgical Skin Tightening, Psoriasis, Post-Surgical Care, Port Wine Stains, Eczema, Rosacea, Heart and Lung Diseases, Cancer, Parkinson's, Osteoporosis, Menopause, Arthritis, Burns and Scalding, and many more.
